Space to Live

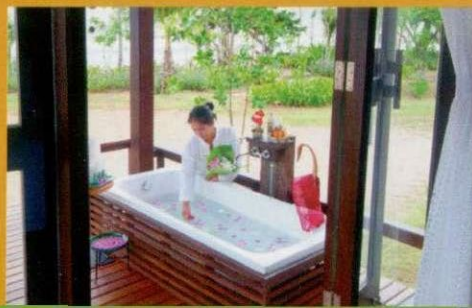

Natural setting, tranquil and unspoilt yet combining a balance of comfort complimented with simple artistry. A classic paradise ecologically achieved without compromise.

Living in Harmony

The freedom of nature's creative beauty is drawn into the 30 simple yet so comfortable Thai village houses. Airy, wonderfully light and uncomplicated, sensually spiced with the textures of natural woods, and floral highlights of colour to delight the eye.

Suit Your Mood

Pure open air with no restriction to express your mood and desires, play, swim, paddle or just soak up the sun with a sea-breeze to remind you how idyllic island life can be. Explore the personality of this unique island community and truly return to nature.

Tastefully Exotic

Thai cuisine needs no defining, world famous for its kaleidoscope of exciting tastes and distinctively exquisite combinations, when you add island life uniting local produce with culinary expertise, dining ambience becomes an experience extending beyond words.

Just imagine, close your eyes, feel the soft sand beneath your feet, the intoxicating sea breeze ozone filling your lungs, invigorating and stirring the senses. The warm rays of sun, a gentle caressingly kind world all around you, where water buffalo peacefully graze under swaying palms and island folk contentedly embrace their island culture, proud of their heritage and eco-friendly co-existence with nature. Open your eyes and welcome to Islanda Eco-Village Resort.
